

Olaf Update

Laugh a little, learn a little and take a break from the daily grind

Winter 2005

A wide angle shot of the new product showroom, featuring a unique ceramic floor, display platforms, parts area, service space, used equipment showroom, warehouse space, second floor office/storage and an interior customer-friendly drive-thru service bay.

Another Successful Project

Wheels Inc.

The new headquarters for Wheels Inc.'s retail sales and service of Polaris, Kawasaki and Suzuki motorcycles, snowmobiles and ATVs is now open along busy I-29 on the east frontage road in Fargo.

Owner Wayne Hartmann teamed with Olaf Anderson & Son in the fall of 2003 to begin design geared for an early spring start. Work on the 30,000-square-foot pre-engineered metal building wrapped up in time for an October grand opening. The project marks the second major expansion and move for this 26-year-old company.

The facility features a new product showroom with a unique ceramic floor, display platforms, parts area, service space, used equipment showroom, warehouse space, second floor office/storage and an interior customer-friendly drive-thru service bay.

Above: An exterior view of the new home for Wheel's Inc. at 432 36th Street SW in Fargo.

Right: A ground level view of motorcycles and product display area high on the mezzanine level.
