# Tim Corwin Toyota: Moving Forward

**I**n March, Olaf Anderson & Son Construction began design on a new Toyota dealership for the Corwin Automotive Group. Ground was broken in May, with a scheduled late fall completion. The new 56,000-square-foot facility is based on Toyota's Image-2 corporate prototype and will feature a showroom, state-of-the-art quick lube, a 34-bay service area, 12-car service reception drive-thru, offices, children's play area and even an in-house deli.

The business wheels of the Corwin family have been turning in North Dakota since 1914. Currently, they operate six dealerships in North Dakota, Montana and Arizona, and Corwin Toyota is the #1 Toyota dealership in North Dakota.
